

Beginning Fusible Appliqué Class (All Cooped Up)

The Beginning Fusible Appliqué Class will focus on reading and understanding the pattern; understanding and using fusible web; instruction in using the Appliqué Pressing Sheet and a brief introduction to free motion stitching. (A separate free motion stitching class will be offered.) At the end of this four hour class you will be well on your way to completing your first McKenna Ryan quilt block!

Class Fee: \$25

Beginning Fusible Appliqué Supplies List

We supply the required Class Pack (at a discounted price of \$49.51), which includes the All Cooped Up pattern of your choice, the matching fabric kit, a pressing sheet and a package of Steam a Seam Lite.

You will also need:

Small Scissors (embroidery size blades for cutting small pieces)
Pencil (preferably mechanical with harder lead-2H works great)
Tweezers
Ziploc bags 4-6 (for small pieces)

We will provide irons, ironing boards, cutting mats, rotary cutters and a sewing machine for piecing backgrounds.
