

Correction for the Nesting Pieced Quilt Pattern - First Edition

From Middle Border fabric 1384-174 Seamist - cut 4 - 1" x WOF strips.

- Subcut 2 strips each into 1 - 28½" x 1"
- Subcut remaining 2 strips each into 1 - 1" x 29½"

The Diagram One dimensions for these same pieces is also incorrect. The measurements outlined in red below should be 1" x 29½".

DIAGRAM ONE • CUT SIZES
NINE BLOCK SETTING
Finished quilt size 36½" x 36½"
