Corrections to the Cutting Guide for the Full Quilt Instructions

*The longest replacement branch labeled "Replaces Block 1 Piece A and Block 5 Piece C" is also for Block 3 Piece 2.*

*The replacement leaves piece in the upper left hand corner which reads "Replaces Block 3 Leaf 1 and Block 4 Leaf 1" actually only replaces the leaf in Block 4-you need to cut Leaf 1 in block 3 as instructed in the individual quilt instructions.*
