Halloweenies Pieced Quilt  
35 1/2" x 35 1/2"

BY MCKENNA RYAN

Please refer to individual patterns and photos on pattern covers as a guide when cutting kits. Note that fabrics **AMD 7009-246 WATER** is an ombre/directional print and **AMD 14303-169 EARTH** is a directional fabric. Both require cutting a specific way to achieve the effect McKenna has created in her original designs.

We strongly suggest you thoroughly read the pattern Materials Needed list on each pattern before cutting for kits to familiarize yourself with the fabrics and patterns as well as checking our website [www.pineneedles.com](http://www.pineneedles.com) for any corrections that may have been issued to the patterns or the shop guides.

This shop guide is written for best use of fabric in correlation with our pattern CD Halloweenies for the Silhouette Cameo Cutter – therefore, some pieces may be larger than actually needed for traditional fusible applique to allow for cutting and placement on the Cameo cutting mats.

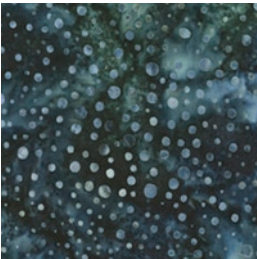

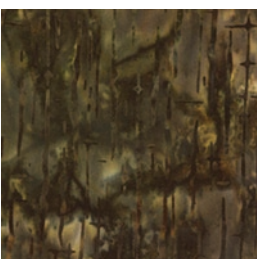

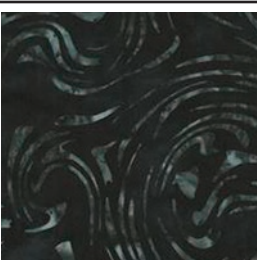

\*\*The following fabrics as listed in the Materials Needed directions on the Halloweenies patterns are no longer available. In the Shop Guide pages that follow, substitutions have been made to replace them.

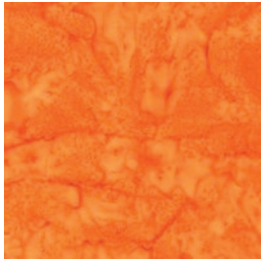

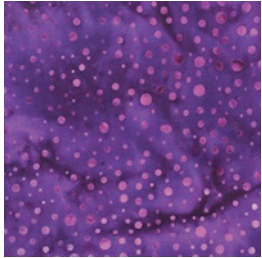

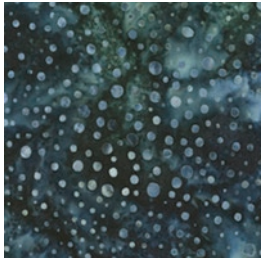

**AMD 14337-83 Vintage White** - has been substituted with **AMD 14913-216 Cloud** - used in blocks 1, 4, 6 and 9

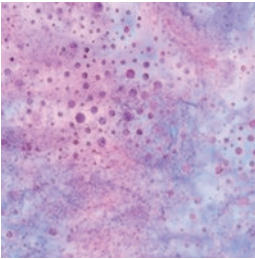

**AMD 14350-268 Nature** - used in blocks 6 and 9, and **AMD 14949-270 Meadow** - used in blocks 7 and 8 - have been substituted with **AMD 14948-270 Meadow**
