

Corrections to Halloweenies Patterns

- Embellishment kit is listed as BOO-12 in patterns. It is actually BOO-11.
- AMD-14974-141 SAFFRON is mistakenly listed as AMD-13974-141 Saffron in patterns, materials needed lists, and page 16 of retail shop guide.
- Block Six Ghost in the Graveyard: For placement of tombstone J2 and ghost L1, be sure to layer the tombstone on top of the ghost's tail before pressing. See pattern cover for reference.
