by MCKENNA RYAN

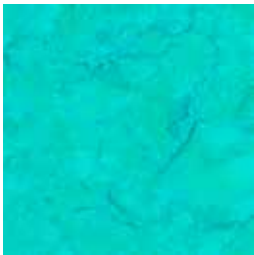

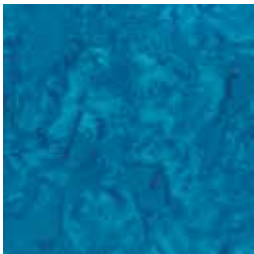

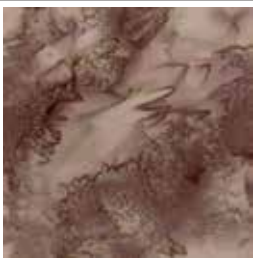

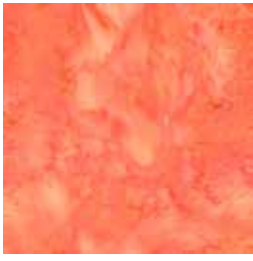

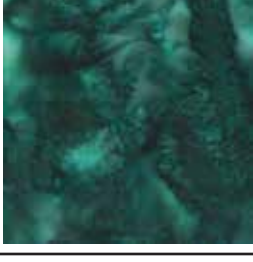

Please keep in mind that like nature, we are not perfect. We highly recommend you read through the patterns AND check our website for any corrections/ changes to the patterns or the materials needed lists before cutting kits. Some fabrics included in this series are directional fabrics, therefore more fabric may be required to get the appropriate fabric print to match McKenna's original design.

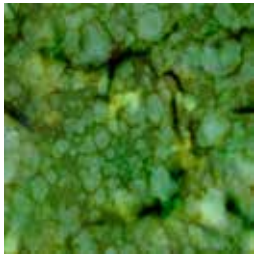

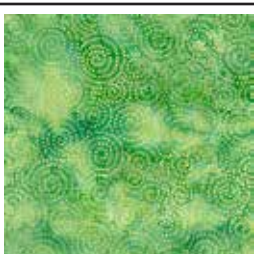

If you are kitting for BOM's, do not cut the border(s) and binding fabrics for the individual blocks – the fabric required for putting the full art quilt together is included in Block 8's cutting guide included.

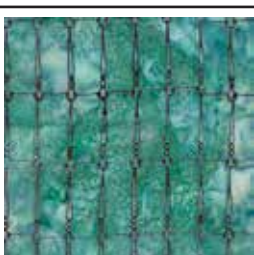

If you are kitting for full And On That Farm kits – please use the included cutting guide for the full quilt.
