

OAS04 THE MORE THE MERRIER

CORRECTIONS TO MATERIALS NEEDED LIST (THIS LIST REPLACES LIST PRINTED ON PATTERN)

Elements of this quilt are made from the Glacier Lights Fabric Collection designed by McKenna Ryan for Hoffman Fabrics. Refer to diagram and photo for easy fabric selection. Yardage is based on 44" wide fabric.

To achieve the most realistic looking scene, Hoffman PN025 Seamist #174, PN017 Dewdrop #462, and PN017 Seamist #174 from the Glacier Lights Collection are highly recommended.

Hoffman PN025 Seamist #174 - 2/3 yd for exact repeat or 16" x 26" piece (minimum) if not concerned about repeat for puffin beaks and sky background

Hoffman PN017 Dewdrop #462 - 2/3 yd to get exact repeat or 9" x 26" piece (minimum) if not concerned about the repeat for water background and boat water appliqué

Hoffman PN017 Seamist #174 - 2/3 yd to get exact repeat or 4½" x 7" of lightest area repeat for mountains

For appliqués, border, backing and binding, the following Hoffman list of fabrics is highly recommended. Fabrics with a high thread count, such as batiks, are recommended if unable to locate each and every fabric listed.
