# *All Cooped Up*

ACU02-P Sunny Perch

## All Cooped Up Hot Pad

12" X 12"

### Before Getting Started:

Read all instructions before beginning this project to find valuable tips, save time and minimize mistakes by understanding the process before you begin!

*Truly McKenna* Art Prints are not pre-shrunk. If you are making a project that will be washed after use, you may want to pre-wash your fabrics.

The term WOF refers to width of fabric.

Use an accurate  $\frac{1}{4}$ " seam allowance unless instructed otherwise in pattern directions.

We strive to create accurate patterns, but just as no tree in nature is perfect, neither are we. Visit our website at [www.pineneedles.com](http://www.pineneedles.com) for any corrections before beginning your quilt.

### Materials Needed:

- One ACU02-P *Sunny Perch Truly McKenna* panel
- Fabric 1: MR1-384 *Mimosa* - Fat Quarter for Borders
- Fabric 2: MR7-106 *Celery* - Fat Quarter for Backing
- Fabric 3: 885-549 *Celestials* -  $\frac{1}{8}$  yard for Binding
- 2 - 14" squares of extra thick Insul-Bright™ batting

### Preparing Panel and Fabrics:

- Trim panel to an 8 $\frac{1}{2}$ " square, centering the image.
- Fabric 1:
  - Cut 2 - 8 $\frac{1}{2}$ " x 2 $\frac{1}{2}$ " Border strips
  - Cut 2 - 12 $\frac{1}{2}$ " x 2 $\frac{1}{2}$ " Border strips
- Fabric 2: Cut 1 - 14" x 14" Backing square
- Fabric 3: Cut 1 - 2 $\frac{1}{2}$ " x WOF strip for Binding

### Hot Pad Assembly:

1. Sew the 2 $\frac{1}{2}$ " x 8 $\frac{1}{2}$ " border strips on the sides of trimmed panel. Press seams toward border strips.
2. Sew the 12 $\frac{1}{2}$ " x 2 $\frac{1}{2}$ " border strips to top and bottom of panel. Press seams toward border strips.
3. Layer backing, two squares of Insul-Bright and the panel unit. \*Note: a lite spray of Basting Spray will help keep layers from shifting during quilting due to the thickness.
4. Quilt as desired.
5. Trim and square up quilted hot pad to 12" x 12".
6. Refer to Diagram One for cutting corners. Place the 45° line on your ruler on the inside seam between the border and the panel. Line up the ruler so there is  $\frac{1}{4}$ " of border fabric beyond the panel and cut off the corner. Repeat for all 4 corners.
7. Bind your hot pad and enjoy!!

### Alternate Color Combination:

- One ACU01-P *Hit the Hay Truly McKenna* panel
- MR5-384 *Mimosa* -  $\frac{1}{2}$  yard for Borders, Binding & Backing
- 2 - 14" squares of extra thick Insul-Bright™ batting

\*Note: this alternate color option uses just one fabric instead of three.
