

Rockport Tote Bag

Pattern by: Aunties Two

Size: Medium

Using: Truly McKenna Beach Walk Art Print: Day's End (BW06-P)

Adaptations:

Trim Art Print to 11½" x 31".

Add: 3½" x 11½" strip of fabric to the Right side of panel.

Add: 2½" x 11½" strip to the Left side of panel.

This will make the panel 36" in length and you can continue with the pattern as suggested.

*Using the Beach Walk Art Print the tote will be approx. 1"-1½" taller than suggested in the pattern. Take this into consideration when cutting your lining.

**Add a magnet closure to tote: Place one side of the closure between the overlapping front sections of bag. Second half of closure on the "inside" back of tote and cover with material/wool.

Embellish center strip of bag with buttons, prairie points or ribbons.
