Fabric 2: AYC-16319-20 Amethyst - ¼ yard for binding

Fabric 3: AYC-16315-20 Amethyst - ½ yard for bottom of basket, 2½" squares and right-side fabric strip

Preparing Fabric for Panel:

Fabric 1: Cut eight - 2½" squares, make prairie points and set aside

Fabric 3: Cut eight - 2½" squares; cut one - 4½" x 10 ½" rectangle; cut one - 1¾" x 8½" strip; cut two - 1½" x 4½" strips

Making Pinwheel Piece:

1. Using a ¼" seam - sew a prairie point on the top edge of all Fabric 3 - 2½" squares.
2. Arrange four squares so the prairie points make a pinwheel in the center.
3. Make two - 4½" pinwheel squares.
4. Sew them together, add the 1¾" fabric strip to one of the long sides, then the 1½" fabric strips to the top and bottom.
5. Sew the pinwheel piece to the **LEFT** side of panel.
6. Sew the 4½" x 10½" fabric strip to the **RIGHT** side of panel.
7. Cut and sew your lining piece to panel.

*Using the Beach Walk Art Print - basket will be 1"-1½" taller than original pattern. Take this into consideration when cutting your lining to match size.

**Width is slightly larger, square up the ends after channel quilting is done
