## Home Tweet Home Placemats (4)

16½" x 12½"

### **Before Getting Started:**

Read all instructions before beginning this project to find valuable tips, save time and minimize mistakes by understanding the process before you begin!

*Truly McKenna* Art Prints are not pre-shrunk. If you are making a project that will be washed after use, you may want to pre-wash your fabrics.

The term WOF refers to width of fabric.

Use an accurate ¼" seam allowance unless instructed otherwise in pattern directions.

### **Materials Needed:**

- Four *Home Tweet Home Truly McKenna* Art Print panels
  - *HTH04-P Honey, I'm Home!*, *ACU06-P House Hunting* (shown) or *HTH08-P Home is Where the Hum is* (not shown)
- Fabric 1: MRD8-70 Lavender - 1¼ yard for Flying Geese, Borders and Backing
- Fabric 2: MRD6-535 Purple Haze - ¾ yard for Flying Geese and Binding
- 1 yard of cotton batting

### **Preparing Panels and Fabrics:**

- Trim panels to 8½" squares, centering the image.
- Fabric 1:
  - Cut 5 - 2½" x WOF strips. Sub cut:
    - 8 - 8½" x 2½" Border strips
    - 8 - 16½" x 2½" Border strips
  - Cut 4 - 17" x 13" pieces for Backing
- Fabric 2:
  - Cut 7 - 2½" x WOF strips for Binding

### **Placemat Assembly:**

Refer to Diagram One and image on first page of pattern for orientation. Press seams as sewn, towards the darker fabric, unless otherwise directed.

1. From the remainder of Fabric 1 and Fabric 2, make 16 - 2½" x 4½" Flying Geese, using your preferred method.
2. Join 4 Flying Geese to create a 4½" x 8½" Flying Geese unit.
3. Sew a Flying Geese unit to the right side of a panel, to create the Placemat center.
4. Sew a 2½" x 8½" Border strip to the left and right sides of the Placemat center. Press seams towards Border strips.
5. Sew a 16½" x 2½" Border strip to the top and bottom of Placemat center. Press seams towards Border strips.
6. Repeat above Steps 2 through 5 with the remaining panels to create four Placemat tops.

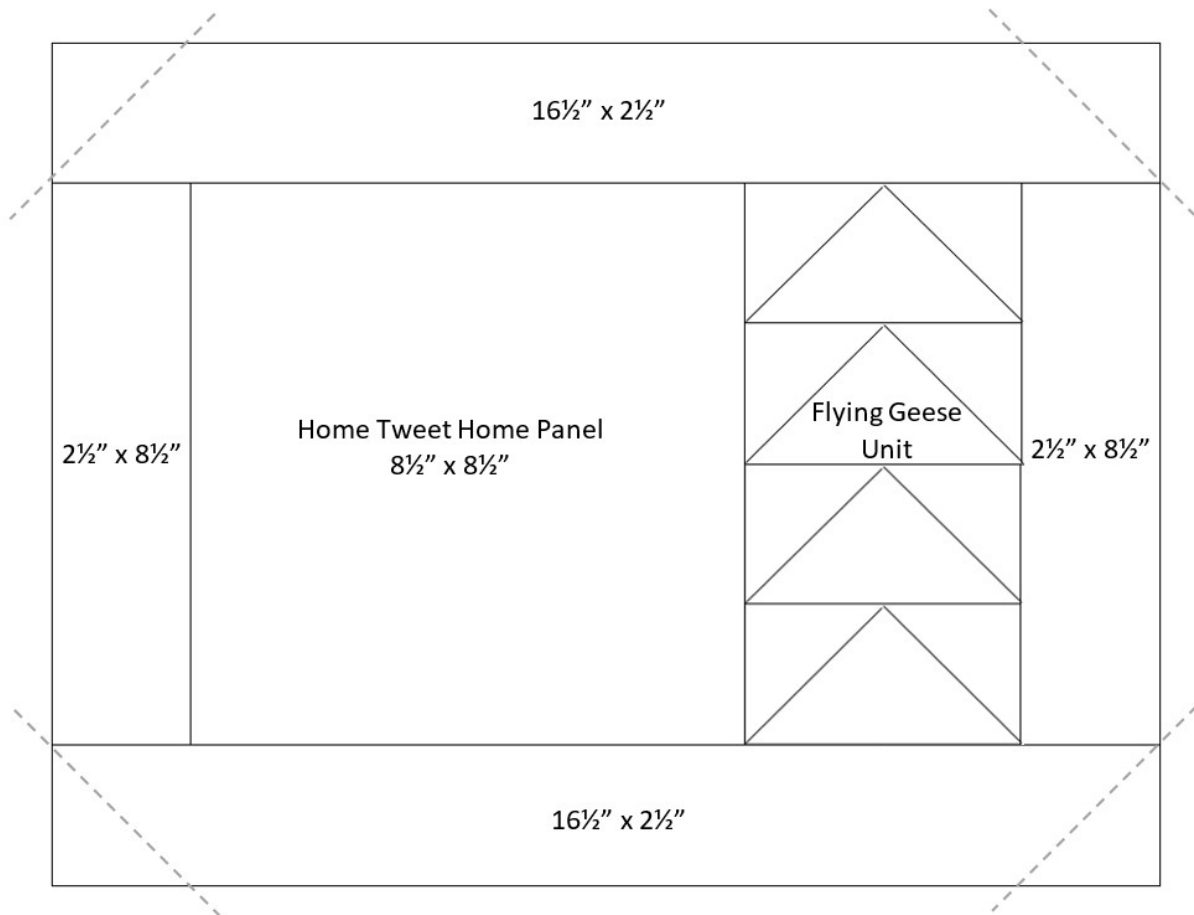

### **Finishing:**

1. Layer the Placemat top, cotton batting, and Backing fabric together and quilt as desired.
2. Refer to Diagram One for cutting corners. Place the 45° line on your ruler along the seam between the top border and the Placemat center. Line up your ruler with the raw edge at the top border seam and trim off the corner.
3. Repeat on all three remaining corners.
4. Trim off excess batting and backing and square up Placemat top.
5. Join the 7 - 2½" x WOF Binding strips to make 4 - approximately 70" Binding strips and bind placemats.

***Enjoy! These work up quickly and make great gifts.***
