Dippity Duo Tea Cozy Cover

13" x 10"

Before Getting Started:

Read all instructions before beginning this project to find valuable tips, save time and minimize mistakes by understanding the process before you begin!

Truly McKenna Art Prints are not pre-shrunk. If you are making a project that will be washed after use, you may want to pre-wash your fabrics.

The term WOF refers to width of fabric.

Use an accurate ¼" seam allowance unless instructed otherwise in pattern directions.

We strive to create accurate patterns, but just as no tree in nature is perfect, neither are we. Visit our website at www.pineneedles.com for any corrections before beginning your quilt.

1. Fold the 1½" x 4" Fabric 1 piece in half, right sides facing and press.
2. Stitch along the 4" raw edge and turn right side out to create a "tube" and press.
3. Stitch along each edge for a decorative touch.

4. Cut a 2" triangle off the Right and Left top corners for a decorative look. *Optional
5. On the Tea Cozy front, sew the binding on, starting in one of the bottom corners.
6. Wrap binding around to back side and hand or machine stitch in place.
7. Fold Hanging Loop up and tack to binding.

Enjoy Tea Time with your special Tea Cozy!

The Insul-Bright helps keep the tea pot warm and doubles as a hot pad when flat!
