Out & About Table Runner

28" x 15" or 41½" x 15"

Before Getting Started:

Read all instructions before beginning this project to find valuable tips, save time and minimize mistakes by understanding the process before you begin!

Truly McKenna Art Prints are not pre-shrunk. If you are making a project that will be washed after use, you may want to pre-wash your fabrics.

The term WOF refers to width of fabric and LOF refers to length of fabric.

Use an accurate ¼" seam allowance unless otherwise instructed in pattern directions.

We strive to create accurate patterns, but just as no tree in nature is perfect, neither are we. Visit our website at www.pinneedles.com for any corrections before beginning your project.
