

Snow Buds™ Wall Hanging with Pocket

2nd Edition
12" x 18½"

*Designed by Michelle Pratt,
Exclusively for McKenna Ryan*

Materials Needed:

- One Snow Buds Art Print
- Fabric 1: ¾ yard for border, binding, backing, HST and pocket lining
- Fabric 2: One FQ for borders, heart pocket edge and backing, and HST
- Fabric 3: Fat 8th for heart pocket
- Fabric 4: Fat 16th for heart pocket
- Fusible Fleece: 13" x 20" piece and 7½" x 12½" piece

Before Getting Started:

- HST = Half Square Triangle
- WOF = Width of Fabric
- RST = Right Sides Together
- Use ¼" seam allowance unless otherwise noted

Cutting:

1. Trim Snow Buds Art Print to 8½" x 8½" square (trim equally on all sides to maintain position of image).
2. Fabric 1:
 - a. Cut two - 2¼" x WOF strips for binding
 - b. Cut one - 1½" x WOF strip.
 - i. Subcut into four - 1½" x 8½" strips
 - c. Cut one - 8" x 12½" rectangle for bottom half/pocket lining
 - d. Cut one - 13" x 20" rectangle for backing
3. Fabric 2:
 - a. Cut four - 1½" x 8½" strips
 - b. Cut one - 8½" x 12½" rectangle for pocket lining
 - c. Cut One - 1½" x 12½" strip bottom border for pocket
4. Fabric 1 and 2 leftovers: Make four - 2½" HST's using your preferred method.
5. Fabric 3: Cut four - 3½" x 6½" rectangles
6. Fabric 4:
 - a. Cut four - 3½" squares - lightly draw a diagonal line on the backside of each square
 - b. Cut eight - 1¼" squares - lightly draw a diagonal line on the backside of each square

Assembly:

Main body of wall hanging:

1. Using the 1½" x 8½" Fabric 1 and Fabric 2 strips, with RST, sew strips together along the 8½" side. Iron seams towards dark fabric. You will have four strip units.
2. Using the four HST's and two of the strip units from Step 1, sew HST's to each end of the two strips. Refer to Diagram 2 for placement.
3. Sew the two remaining Step 1 strip units to each side of trimmed Snow Buds Art Print. Refer to Diagram 2 for placement.
4. Sew the HST/strip units from Step 2 to the top and bottom of Snow Buds Art Print to complete the center of the wall hanging. Refer to Diagram 2 for placement.
5. Now take the 8" x 12½" Fabric 1 rectangle, with RST, sew to the bottom half of Snow Buds square. Iron seam toward rectangle.
6. Lay the front panel right side up onto the 13" x 20" piece of fusible fleece. Fuse, trim fleece even with pieced unit and set aside.

Heart Squares for Pocket:

1. Using the four Fabric 3 rectangles, with RST, place two 1¼" Fabric 4 squares in the top corners of each Fabric 3 rectangle. Referring to Diagram 1 for direction of drawn lines, sew on drawn line, trim excess away ¼" from sewn line. Do this for all four rectangles and iron seams open.
2. Take the 3½" Fabric 4 squares and place them on the bottom half of the Fabric 3 rectangles, with 2 drawn lines slanting to left and 2 to the right (refer to Diagram 2). Sew on drawn line, trim excess away ¼" from sewn line and iron seams open.
3. Join the left and right heart square halves to make two complete heart squares. With RST sew the heart squares together to make a 6½" x 12½" rectangle.
4. Sew the 1½" x 12½" Fabric 2 strip to the bottom of the heart unit. This will be the front of the pocket.
5. Lay the pocket front right side up onto the 7½" x 12½" piece of fusible fleece and fuse.
6. Using the 8½" x 12½" Fabric 2 pocket lining rectangle and fused pocket front, with RST, pin and sew along the 12½" top edge. "Wrap" the lining around the ¼" seam to create a border. Iron, and top stitch between the border and hearts. (Note: Back lining piece will be slightly longer than the pocket front, it will be trimmed later.)

Finishing Up:

1. Line up the heart pocket section with the bottom rectangle of the main body of wall hanging, pin to hold in place and sew ⅛" around to secure pocket too main body. Trim all excess fleece and fabric edges. (Should measure 12½" by 18½".)
2. Layer backing and front of wall hanging. Stitch-in-the-ditch around the panel. Bind wall hanging. Add a hanging tube on back or make tabs with leftover fabric to hang.
